

DFI participated in a DeMPA assessment mission to **Bhutan** led by the World Bank on 13-20 December. The mission met with senior policymakers about providing longstanding capacity-building support in debt management. The mission also made a presentation on the IMF-World Bank Debt Sustainability Framework (DSF). A second DeMPA joint mission of the World Bank, UNCTAD, and DRI visited

Mongolia

on 15-20 December to conduct an assessment of debt management in the country and also provided training in risk analysis, debt and sustainability.
