

At the request of the Central African authorities, a World Bank/UNCTAD/DRI visited Bangui to formulate a reform plan of the country's public finances. Together with CAR's technical and financial partners, the mission identified 4 key areas around which the plan should be structured: institutional and legal framework, exterior loans procedures, development of domestic financial markets, treasury management and operational risks. A draft reform plan has been submitted to the national institutions and donors for consideration until its final adoption by the authorities.
