

DFI joined a World Bank MTDS mission to Malé, The Maldives. The mission took place at the request of the Ministry of Finance, and focused on providing technical assistance in debt management strategy formulation. The mission shared the Bank-Fund framework for Medium-Term Debt Management Strategy (MTDS) development, and jointly with a government team, applied it to The Maldives. In the process, the team provided training on basic cost-risk analysis, data preparation, and preparation of a debt management strategy document.
